

Dear Friend,

The Cherry Hill Youth Athletic Association (CHYAA) is a non-profit organization that serves the children of Cherry Hill with year-round baseball and softball programs that includes spring and fall leagues, summer tournaments, as well as winter instructional opportunities for approximately 650 youths, aged 3 through 16 years old.

As a non-profit organization, our funding is entirely dependant upon the contributions of local business and individuals, along with our registration fees. CHYAA is designed to introduce, teach and develop the fundamentals of baseball and softball to the local youth – as well as to promote good sportsmanship and teamwork. And there is no greater example of teamwork than the community pulling together to financially contribute to the maintenance of the fields and indoor facility, to replace worn equipment and to provide uniforms for the children.

The CHYAA Board of Directors is seeking sponsor contributions for the 2009 season. CHYAA sponsorship is a great way to showcase your business and help the children all at the same time. Your tax-deductible contribution provides you with many entitlements, such as recognition on team jerseys or cap, recognition on league website, maintained signage, league plaque, etc. In addition, we encourage all the parents of CHYAA to support our sponsors as a way of thanking them for supporting their children throughout the year.

If you are interested in sponsoring a team complete the bottom of this page and mail it back to the address shown below. You can also visit the league's website at www.chyaa.org or if you would like more information about other sponsorship opportunities contact us at (856) 438-5165.

Thank you for your support,

Cherry Hill Youth Athletic Association
