## Mission

Our goal is to provide the players of the local community with first class professional instruction. With our playing experience and current coaching and scouting positions in our MLB organizations, we will provide your children with the knowledge, drills, and techniques that are being taught at the major and minor league levels. We acknowledge that every player may not be destined to play in the Big Leagues, but we do believe that with proper instruction, every player can raise the ceiling to their athletic potential.

## Hours

**Monday-Friday:** 4:00pm-9:00pm **Saturday:** 9:00am-2:00pm (by appt.)
